## Glassblowing

[thethirstytourist.com](http://thethirstytourist.com)

### WHAT IS GLASSBLOWING:

The craft of making glassware by the use of a heating process, raw materials, and forcing air through a tube. Temperatures are extremely hot and this should only be attempted with supervision in a professional setting.

### GLASS CREATIONS:

Paperweights, flowers, dishes, vases & sun-catchers.

### Plan A Visit:

BE SURE TO BRING...
